Explanatory Memorandum

The existing recruitment rules for Class III posts in the Tuticorin Harbour Project, published with the notification of the Government of India in the late Ministry of Transport and Shipping (Transport Wing) No. 3-PE(14)/68, dated the 31st December, 1968, provide in certain cases for appointment by 'transfer of persons working in equivalent grades in Central/State Government Departments. It has been pointed out that the term "transfer" implies 'transfer on a permanent basis'. The posts in the Tuticorin Harbour Project are, however, all temporary. Therefore, permanent transfer is not possible. Further, as persons having experience of working in Major ports are preferable, if it is proposed that transfer may also be provided from amongst employees working in Public Undertakings and Major Port Trusts.

To achieve the objectives mentioned above, it is proposed to suitably amend recruitment rules for Class III posts in the Tuticorin Harbour Project and to give effect to the amendments from the date, the original rules came into force, viz. 31st December, 1968. No one is likely to be adversely affected by the amendments having retrospective effect.
